Description

The Interflex-AC411JFE.120.50.100 is a high-quality abrasive roll designed to meet the needs of hand sanding and polishing on wood and metal. This product, formerly known as WJ.RR, is made with aluminum oxide (AO) and features a resin-on-resin bond, ensuring exceptional durability and performance. Its J-cloth backing is made of 100% cotton, providing flexibility and strength during use. Its 100 grit makes it an ideal choice for jobs requiring a fine finish, especially on wood surfaces.

- **Abrasive Type:** Aluminum Oxide (AO)
