Description

The Vogel-472018 drill bit sharpening jig is an essential tool for those seeking precision and efficiency in drill bit sharpening. Made from specially hardened, ground, and burnished steel, this jig guarantees exceptional durability and optimal performance. Its ergonomic and functional design allows for easy and effective use, facilitating the sharpening process and ensuring that drill bits maintain their edge for longer. Additionally, it features an angle finder on the back, allowing the user to precisely adjust the sharpening angle, ensuring consistent, high-quality results.

- **Material:** Special hardened, ground, and burnished steel
- **Durability:** High wear resistance
- **Design:** Ergonomic design for easy handling
- **Angle finder:** Included on the back for precise adjustments
- **Compatibility:** Sharpens various drill bits
- **Precision:** Ensures uniform and efficient sharpening
- **Use:** Ideal for professionals and DIY enthusiasts
- **Maintenance:** Easy to clean and maintain
- **Dimensions:** Compact and easy to store
- **Applications:** Sharpening in workshops, homes and DIY projects

Specifications

EAN	4010873500473
Manufacturer	Vogel
Weight (kg)	0,1900
