Description

The Guillet-1274 pilot drill bit is an essential tool for professionals who require precision and efficiency in their drilling work. With a diameter of 8 mm and a length of 100 mm, this drill bit is specifically designed for use with Optima and Record core bits, guaranteeing a perfect fit and optimal performance. Its robust construction allows for effective drilling in various materials, ensuring consistent, high-quality results every time.

- **Diameter:** 8 mm
- **Length:** 100 mm
- **Compatibility:** Optima and Record Coronitas
- **Material:** High-quality steel
- **Use:** Precise drilling in various materials
- **Design:** Optimized for efficient performance
- **Applications:** Ideal for woodworking and construction work
- **Durability:** Resistant to wear and prolonged use
- **Maintenance:** Easy to clean and maintain
- **Manufacturer:** Guillet

The pilot drill bit Guillet-1274 is a reliable tool that adapts to the needs of professionals, offering a perfect balance between quality and functionality.

Specifications

High	21,50
Width	3,00
EAN	3660354012745

Manufacturer	Guillet
Material	Acero inoxidable
Weight (kg)	0,0240
Depth	1,00
