Description

The Pica-4020/SB case is a versatile solution for those seeking a high-quality writing and drawing product. This case includes 8 multipurpose water-soluble leads that adapt to a wide variety of surfaces, whether dry or wet, smooth or rough, dusty or oily, and in light or dark tones. The leads are designed for optimal performance, allowing for easy removal on smooth surfaces with a simple damp cloth.

The lead tips come pre-sharpened, ensuring an immediate and hassle-free user experience. Furthermore, the case is durable, ensuring the leads are protected during transport and storage.

It is important to note that the red and yellow leads should not be exposed to temperatures above 40°C to maintain their integrity and functionality.

- Water-soluble multipurpose leads
- Compatible with various surfaces: dry, wet, smooth, rough
- Easy removal from smooth surfaces with a damp cloth
- Pre-sharpened tips for immediate use
- Durable case for added durability
- Available in cases of 10 leads per color
- Assorted cases of 8 leads: 4 graphite, 2 red, 2 yellow
- Do not expose red and yellow leads to temperatures above 40°C
