Description

The Pica-521/41 Blue Brush Pen is a versatile tool designed to provide permanent marking on almost any surface. Its chisel tip allows you to create lines of varying thicknesses, making it an ideal choice for artists, designers, and professionals who require precision and durability in their work. The alcohol-based ink ensures fast drying, minimizing the risk of smudging and allowing for efficient use on projects that require speed.

This marker is waterproof and indelible, ensuring that the marks made will remain intact even under adverse conditions. It also features "Dry-Safe" technology, which allows the marker to function properly even after being uncapped for up to 14 days.

Its formula is free of toluene and xylene, making it a safer option for the user and the environment.

- Alcohol-based permanent ink
