### Description

The PEL GT Line-KIN.0400 top tool panel is an accessory specifically designed to optimize tool storage and organization in the ROCK 350 and TURTLE 350 cases. This panel allows quick and efficient access to tools, facilitating their use in various applications. Its functional design includes elastic straps that secure the tools in place, preventing slippage and loss during transport.

Made from high-quality materials, the PEL tool panel is sturdy and durable, guaranteeing optimal performance under demanding working conditions.

Its installation is simple and it fits perfectly with the aforementioned cases, making it an ideal solution for professionals and DIY enthusiasts.
