Description

The Kukko-K-142/4 is a universal wiper arm puller set designed to easily remove rusted arms and other hard-to-remove components. This kit is ideal for mechanics and DIY enthusiasts looking for an efficient and versatile solution for vehicle maintenance.

The puller's design includes an automatic gripping, locking, and centering system, ensuring a precise and secure fit during use.

This minimizes the risk of damage to vehicle components and optimizes the removal process.

- **Universal Use:** Compatible with a wide variety of vehicles.
- **High-Quality Material:** Made of heavy-duty steel for durability.
- **Ergonomic Design:** Facilitates handling and operation of the puller.
- **Automatic Grip:** Ensures a firm grip on different types of wiper arms.
- **Automatic Locking:** Provides stability during the removal process.
- **Automatic Leg Centering:** Allows for precise adjustment without the need for additional tools.
- **Compact and Lightweight:** Easy to store and transport.
- **Clear Instructions:** Includes user manual for proper application.
- **Versatility:** Ideal For professional and home use.
- **Quality Guarantee:** Product backed by Kukko's reputation.
