Description

The Olfa-RTY-ST/QR Premium Patchwork Starter Kit is the perfect solution for those who want to delve into the world of patchwork and crafts. This complete kit includes a rotary cutter, a cutting mat, and a rectangular ruler, all designed to facilitate precise cutting of various materials.

The RTY-2/G rotary cutter features a 45 mm stainless steel blade, ensuring clean and precise cuts. Its ergonomic design allows for comfortable use by both right- and left-handed users, and its German "GS" quality and safety certification guarantees its reliability. This cutter is ideal for making curved or straight cuts in paper, fabric, EVA foam, and thicker materials such as foam and carpet.

The RM-IC-C cutting mat, measuring 45 x 30 cm, provides a suitable surface for working safely and precisely.

In addition, the 15 x 16 cm MQR rectangular ruler allows for angled cuts, facilitating the creation of complex patterns.
