Description

The Sola-GOMAGNETICCLIP is a compact spirit level designed for accuracy and ease of use in a variety of applications. Equipped with a powerful neodymium magnet, it ensures strong adhesion to metal surfaces, enabling more efficient and safer work. Its shatterproof acrylic glass bubble block features a 60% magnifying lens, ensuring a clear and precise reading. Furthermore, this level includes a 30-year watertightness guarantee, guaranteeing its durability and long-term reliability. The optimized luminous coating improves readability in low-light conditions, making it easier to use in dark environments. The measuring surface features a practical V-groove, ideal for pipes, adding versatility to its design. Its compact and lightweight construction makes it easy to handle, allowing for faster and more accurate readings thanks to the patented SOLA FOCUS bubble. For added convenience, the Sola-GOMAGNETICCLIP includes a robust steel belt clip, ensuring a secure hold during work.
