Description

The Vogel-3420195 is an innovative interface box designed to facilitate efficient and direct data capture and transfer to Excel. This compact device features a data key that ensures the security and integrity of the information, as well as a convenient footswitch that allows for precise manual control during the data entry process. Its compatibility with specific items, such as model 23 1231, makes it a versatile tool for various applications in professional environments.

- **Mini USB Interface:** Simple and quick connection to compatible devices.
- **Data Key:** Protection and security in information transfer.
- **Foot Pedal Switch:** Facilitates manual control during data capture.
- **Direct Transfer to Excel:** Simplifies the data analysis and management process.
- **Compatibility:** Suitable for item 23 1231.
- **Compact Design:** Ideal for small workspaces.
- **Easy Installation:** Quick and hassle-free setup.
- **Versatile Use:** Suitable for various applications in professional environments.
- **Durability:** Robust construction for long-term use.
- **Technical Support:** Assistance available to resolve questions and problems.

Specifications

EAN	4010873301292
Manufacturer	Vogel
Weight (kg)	0,0200
