Description

The Vogel-L100-20/1 linear water level is a precision tool designed to ensure alignment and leveling in construction and DIY projects. Its cast iron body provides exceptional robustness, while the ground prismatic base ensures a precise and stable contact surface. This level is ideal for professionals who require accurate measurements, with a sensitivity of 0.1 mm that allows for the detection of even the most subtle variations in horizontality and verticality. Presented in an elegant wooden box, the Vogel-L100-20/1 is not only functional but also offers a carefully curated presentation, ideal for storage and transport.

- **Model:** Vogel-L100-20/1
- **Length:** 200 mm
- **Material:** Cast iron body
- **Base:** Ground prismatic
- **Accuracy:** 0.1 mm sensitivity
- **Use:** Ideal for construction and DIY
- **Presentation:** Wooden box
- **Durability:** High impact resistance
- **Ease of use:** Ergonomic design
- **Applications:** Leveling surfaces and structures

Specifications

EAN	8435130718167
Manufacturer	Vogel
Weight (kg)	1,4000
