[View product online](#)**Description**

The **Olfa-XMT-1** is an auto-locking utility knife designed to offer a perfect balance between size and functionality. With a pre-loaded 12.5 mm blade, this X-Series Medium Size utility knife is a versatile and efficient tool, ideal for a variety of cutting applications. Its compact design makes it as easy to handle as a 9 mm cutter, while its robustness is comparable to that of an 18 mm model, making it a favorite among many users.

The Olfa-XMT-1 is especially effective for cutting cardboard, paper, plastic, and shrink wrap, thanks to its extra-sharp black MTBB blade. It also features an auto-locking system with a sliding trigger, ensuring safety during use.

The built-in carbide spike at the end of the handle adds functionality, allowing you to perform multiple tasks with a single tool.

- Preloaded 12.5 mm blade.
- Compact and lightweight.
- Excellent grip and durability.
- Automatic locking via sliding trigger.
- Multi-purpose carbide spike.
- Ideal for cutting cardboard, paper, and plastic.
- Ergonomic design for extended use.
- Lanyard hole.
- Extra-sharp black MTBB blade.
- Considered the ideal size by many users.
