Description

The Ruko-107052 quick deburring tool is an essential tool for those seeking precision and efficiency in deburring work. Its compact and functional design allows for agile handling, facilitating access to hard-to-reach areas. Made with a hexagonal aluminum handle, this deburring tool combines durability and lightness, making it an ideal companion to carry in your pocket. The E100 blade, included with the product, is designed to provide a clean and effective cut. It's important to note that this blade is fixed and not interchangeable, ensuring greater stability during use.

- **Handle:** Hexagonal aluminum handle, lightweight and durable.
- **Size:** Compact, ideal for carrying in your pocket.
- **Design:** Small and manageable, perfect for precision work.
- **Blade:** Includes E100 blade, designed for efficient cutting.
- **Attachment:** Fixed, non-interchangeable blade for greater stability.
- **Use:** Ideal for deburring in various applications.
- **Ergonomics:** Design that facilitates grip and maneuverability.
- **Applications:** Suitable for working with metal, plastic, and other materials.
- **Maintenance:** Easy to clean and maintain in optimal condition.
- **Portability:** Its compact size makes it ideal for everyday transport.

Specifications

EAN	4007140007681
Manufacturer	Ruko
