Description

The Ruko-107054 quick deburring tool is an essential tool for those seeking precision and efficiency in finishing workpieces. Designed with a hexagonal aluminum handle, this deburring tool combines durability and lightness, making it an ideal choice for extended use. Its compact size makes it perfect for carrying in your pocket, allowing for quick and easy access at any time. The interchangeable E100 blade guarantees a clean and effective cut, and its ergonomic design ensures comfortable and safe handling.

- **Hexagonal aluminum handle:** Provides a firm and comfortable grip.
- **Small and manageable:** Ideal for precision work in confined spaces.
- **Ideal pocket size:** Easy to carry and store.
- **Includes handle and 1 interchangeable E100 blade:** Ready to use and easy to maintain.
- **Ergonomic design:** Increases comfort during prolonged use.
- **Versatility:** Suitable for various applications on metal and plastic.
- **Easy to use:** Ideal for both professionals and hobbyists.
- **High cutting quality:** Ensures clean and precise finishes.
- **Lightweight:** Minimizes fatigue during work.
- **Durability:** High-quality materials that guarantee a long service life.
