Product sheet

WITTE 25mm PH 3 drill bits in a plastic case with DIAMOND FLEX technology

Brand: Witte

Reference: TUR 427973

Witte-427973-5 25mm screwdriver bits, made of high-alloy steel. Their advanced technology ensures optimal torque transmission and increased durability. Ideal for precise tightening of screw heads.

Description

The Witte-427973-5 bits are high-precision screwdriving tools designed to deliver exceptional performance in a variety of applications. Made from high-alloy steel, these bits undergo a post-hardening process that ensures their durability and strength. Thanks to the use of state-of-the-art technology and machinery, each bit features a precise geometry that optimizes torque transmission, resulting in more efficient and safer work. The intrinsic quality of the bits, along with a perfect fit on the screw head and correct application, are key factors that determine their longevity and effectiveness.

- **Model:** Witte-427973-5
- **Type:** Screwdriver bits
- **Length:** 25 mm
- **Material:** High-alloy steel
- **Technology:** Modern manufacturing and advanced machinery
- **Hardening process:** Post-hardening for increased durability
- **Geometry:** Precise design for optimal torque transmission
- **Compatibility:** Ideal for a wide range of screws
- **Durability:** Dependent on quality and correct application
- **Presentation:** Plastic box for easy storage

Specifications

EAN	4003955321073

Manufacturer	WITTE
Material	Plástico
Weight (kg)	0,0400
