Product sheet

WITTE PZ 1 25mm bits in a sturdy and durable plastic case.

Brand: Witte

Reference: TUR 4284459

Witte-4284459-5 25mm screwdriver bits, made of high-alloy steel. They guarantee optimal torque transmission thanks to their precise geometry and hardening process. Ideal for a perfect fit in screws.

Description

Witte-4284459-5 bits are high-precision screwdriving tools designed to deliver exceptional performance in a variety of applications. Manufactured from high-alloy steel, these bits undergo a post-hardening process that ensures their durability and strength. Thanks to the use of state-of-the-art technology and machinery, each bit features a precise geometry that optimizes torque transmission, resulting in more efficient and safer work. The intrinsic quality of the bits, along with a perfect fit on the screw head and correct application, are key factors that determine their longevity and effectiveness.

- **Material:** High-alloy steel
- **Length:** 25 mm
- **Type:** PZ 1 bits
- **Manufacturing:** Modern technology and machinery
- **Hardening process:** Post-hardening for increased durability
- **Geometry:** Precise design for optimal torque transmission
- **Use:** Ideal for screwdriving applications in various materials
- **Durability:** High strength and long service life
- **Fit:** Perfect fit on the screw head
- **Application:** Requires proper application to maximize performance

Specifications

High	2,00

Width	5,00
EAN	4003955453460
Manufacturer	WITTE
Material	Plástico
Weight (kg)	0,0400
Depth	8,50
