WITTE PZ 3 25mm bits in a sturdy and durable plastic case.

Brand: Witte

Reference: TUR 428447

Witte-428447-10 are 25mm screwdriver bits, made of high-alloy steel. Their advanced technology and precise geometry guarantee optimal torque transmission, ensuring durability and a perfect fit on screws.

Description

The Witte-428447-10 screwdriver bits are high-precision screwdriving tools designed to deliver exceptional performance in a variety of applications. Made from high-alloy steel, these bits benefit from state-of-the-art technology and machinery, ensuring their durability and effectiveness. Thanks to a post-hardening process and meticulously engineered geometry, these bits guarantee optimal torque transmission, resulting in more efficient and safer work. The longevity of each bit is determined by its intrinsic quality, the perfect fit on the screw head, and proper application during use.

- **Material:** High-alloy steel
- **Length:** 25 mm
- **Type:** PZ 3 bits
- **Manufacturing:** Modern technology and machinery
- **Hardening process:** Post-hardening for increased durability
- **Geometry:** Precise design for optimal torque transmission
- **Use:** Ideal for screwdriving applications in various materials
- **Fit:** Perfect fit on the screw head
- **Durability:** High strength and long service life
- **Presentation:** Small box plastic for easy storage

Specifications

EAN	4003955312118
Manufacturer	WITTE
Material	Plástico
Weight (kg)	0,0400
