Product sheet

WITTE PZ 2 DIAMOND 25mm bits in a sturdy plastic case.

Brand: Witte

Reference: TUR 427612

Witte-427612-5 25mm screwdriver bits in a plastic case, made of high-alloy steel. Their advanced technology guarantees optimal torque transmission and greater durability, ensuring a perfect fit on the screw head.

Description

The Witte-427612-5 screwdriver bits are a high-quality screwdriving solution, specifically designed to deliver exceptional performance in a variety of applications. Manufactured from high-alloy steel, these bits benefit from state-of-the-art technology and machinery, ensuring their durability and effectiveness. The subsequent hardening process, combined with precise geometry, allows for optimal torque transmission, ensuring that each screw is tightened securely and efficiently. The longevity of these bits is directly related to their intrinsic quality, the perfect fit on the screw head, and their correct application during use.

- **Material:** High-alloy steel
- **Length:** 25 mm
- **Type:** PZ 2 DIAMOND bits
- **Manufacturing process:** Modern technology and machinery
- **Treatment:** Post-hardening
- **Geometry:** Precise for better torque transmission
- **Durability:** High, depending on quality and application
- **Use:** Ideal for screwdriving on various surfaces
- **Fit:** Perfect fit on the screw head
- **Presentation:** Small plastic box for practical storage

Specifications

EAN	4003955321035
Manufacturer	WITTE
Material	Plástico
Weight (kg)	0,0400
