Description

Witte-426432-15 screwdriver bits are a high-quality solution for professionals and DIY enthusiasts. Made from high-alloy steel, these bits have been designed using state-of-the-art technology and machinery, guaranteeing their durability and performance. The subsequent hardening process, combined with precise geometry, allows for optimal torque transmission, ensuring efficient and safe work. The lifespan of each bit is determined by its intrinsic quality, the perfect fit on the screw head, and correct application during use.

- **Length:** 25 mm
