

Product sheet

WITTE bits in plastic case 25 mm T 20, ideal for precision screws.

Brand: Witte

Reference: TUR 429505

Witte-429505-5 25mm screwdriver bits in a plastic case. Made of high-alloy steel, they guarantee optimal torque transmission. Their precise design and hardening process ensure durability and performance in screwdriving applications.

Description

Witte-429505-5 screwdriver bits are an essential tool for any professional or DIY enthusiast seeking precision and durability in their projects. Made from high-alloy steel, these bits have been designed using state-of-the-art technology and machinery, guaranteeing exceptional performance. The subsequent hardening process, combined with precise geometry, ensures optimal torque transmission, resulting in more efficient and safer work. The lifespan of each bit is determined by its intrinsic quality, the perfect fit on the screw head, and proper application, making them a reliable choice for various applications.

- **Material:** High-alloy steel
- **Length:** 25 mm
- **Type:** T-point 20
- **Manufacturing process:** Modern technology and machinery
- **Treatment:** Post-hardening
- **Geometry:** Precise for better torque transmission
- **Durability:** High, depending on quality and application
- **Use:** Ideal for screwdriving on various surfaces
- **Packaging:** Plastic box for easy storage
- **Compatibility:** Designed for a perfect fit on T20 screws

Specifications

High	2,00
Width	5,00
EAN	4003955306711
Manufacturer	WITTE

Material	Plástico
Weight (kg)	0,0400
Depth	8,50
