

Product sheet

WITTE 25mm tips in plastic case, T 27 TIN, high durability and precision.

Brand: Witte

Reference: TUR 429517

Witte-429517-5 25mm screwdriver bits, made of high-alloy steel. Their advanced technology ensures optimal torque transmission. Designed for a perfect fit on screws, they offer durability and performance in screwdriving applications.

Description

The Witte-429517-5 screwdriver bits are a high-quality screwdriving solution, specifically designed to deliver exceptional performance in a variety of applications. Manufactured from high-alloy steel, these bits benefit from state-of-the-art technology and machinery, ensuring their durability and effectiveness. The subsequent hardening process, combined with precise geometry, allows for optimal torque transmission, ensuring that each screw is tightened securely and efficiently. The longevity of these bits is directly related to their intrinsic quality, the perfect fit on the screw head, and their correct application during use.

- **Material:** High-alloy steel
- **Length:** 25 mm
- **Type:** T 27 TIN
- **Manufacturing process:** Modern technology and machinery
- **Treatment:** Post-hardening
- **Geometry:** Precise for better torque transmission
- **Durability:** High, thanks to the quality of the material
- **Compatibility:** Ideal for screws with T 27 heads
- **Use:** DIY and professional applications
- **Presentation:** Small box plastic for safe storage

Specifications

High	2,00
Width	5,00
EAN	4003955312224
Manufacturer	WITTE

Material	Plástico
Weight (kg)	0,0400
Depth	8,50
