Product sheet

WITTE bits in plastic case 50 mm (T 10) for precision screws.

Brand: Witte

Reference: TUR 429603

Witte-429603-5 50mm screwdriver bits, made of high-alloy steel. Their advanced technology ensures optimal torque transmission. Designed for a perfect fit on screws, they offer durability and performance in screwdriving applications.

Description

Witte-429603-5 bits are high-precision screwdriving tools designed to deliver exceptional performance in a variety of applications. Manufactured from high-alloy steel, these bits benefit from state-of-the-art technology and machinery, ensuring their durability and effectiveness. The subsequent hardening process, combined with precise geometry, allows for optimal torque transmission, ensuring that each screw is tightened securely and efficiently. The longevity of these bits is determined by their intrinsic quality, the perfect fit on the screw head, and their correct application during use.

- **Material:** High-alloy steel
- **Length:** 50 mm
- **Type:** T 10
- **Manufacturing process:** Modern technology and machinery
- **Treatment:** Post-hardening
- **Geometry:** Precise design for better torque transmission
- **Durability:** High strength and long service life
- **Compatibility:** Ideal for T 10 head screws
- **Applications:** Professional and home use
- **Packaging:** Plastic storage box safe

Specifications

High	2,00

Width	5,00
EAN	4003955312491
Manufacturer	WITTE
Material	Plástico
Weight (kg)	0,0600
Depth	8,50
