Description

The Kukko-GE4-10 threaded adapter is an essential tool for removing parts with female threads. Designed for use with both counterweights and slide hammers, this adapter offers versatility and efficiency in a variety of mechanical applications. Its robust construction ensures long durability, while the laser-marked dimensions allow for clear and precise thread identification, facilitating its use in demanding work situations.

- **Compatibility:** Suitable for parts with female threads.
- **Versatile Use:** Compatible with counterweights and slide hammers.
- **Clear Identification:** Laser-marked dimensions for easy recognition.
- **High-Quality Material:** Made from durable materials for long-lasting use.
- **Ergonomic Design:** Facilitates handling and prolonged use.
- **Precision:** Ensures a secure and stable fit during operation.
- **Dimensions:** M4/M10 threaded adapter.
- **Applications:** Ideal for mechanical and maintenance work.
- **Easy installation:** Allows for quick and easy assembly.
- **Professional use:** Designed to meet the needs of industry professionals.

Specifications

Colour	Black
EAN	4021176184383
Manufacturer	Kukko
Weight (kg)	0,0200
