The Brennenstuhl Premium-Line power strip (model 1955540100) is a versatile and stylish power solution designed to meet connectivity needs in any environment. Its robust body, made of a special shatter-resistant plastic material, ensures durability and safety in everyday use. With a modern and compact design, this power strip integrates seamlessly into any space, whether at home or in the office.

The ON/OFF safety switch, which includes an indicator light, allows for easy and safe power control. Furthermore, its ingenious storage system allows the cable to be wound around the body of the power strip, making it easy to store and preventing tangles.

The multi-socket socket offers multiple installation and fixing options, allowing for easy wall mounting with screws, making it a practical and functional choice.
