Description

The Brennenstuhl Premium-Line power strip is a versatile, high-quality power solution designed to meet connectivity needs in any environment. Its robust body, made of a special shatter-resistant plastic material, ensures durability and safety in everyday use. With a sleek, modern design, this power strip blends seamlessly into any space, whether at home or in the office. The ON/OFF safety switch, equipped with an indicator light, allows for easy and safe power control. Furthermore, its ingenious design includes the option to wrap the cable around the body, facilitating storage and preventing tangling. Installation is quick and easy, as it can be mounted on the wall with screws, offering multiple mounting options to suit the user's needs. It also features a practical hanger for added convenience.
