BRENNENSTUHL Comfort-Line Plus white multi-socket with 6 sockets and flat plug.

Brand: BRENNENSTUHL

Reference: TUR 1153320100

The Brennenstuhl Comfort-Line Plus power strip features six sockets and an innovative, space-saving flat plug. Its design allows for the connection of large chargers and includes a safety ON/OFF switch. Ideal for wall mounting.

[View product online](#)**Description**

The Brennenstuhl Comfort-Line Plus power strip is an efficient and practical solution for your electrical connection needs. Designed with an innovative flat plug, this power strip saves significant space, making it easy to use in environments where space is limited. Its flip-up hook plug allows for effortless unplugging, improving convenience in everyday use.

The wide spacing between the sockets is a key feature, ideal for devices with side-pronged outlets and large chargers. This ensures you can connect multiple devices without worrying about space between them. Furthermore, its design allows for fixed mounting on walls or various brackets, making it a versatile option for any room.

The power strip also features an illuminated ON/OFF safety switch, providing additional control over the power supply.

Made of plastic and PVC, this power strip is robust and durable, guaranteeing long-lasting use.
