[View product online](#)**Description**

The Brennenstuhl-1153520222 desktop power strip is a practical and efficient solution to meet your charging and connectivity needs. Designed in an elegant white color, this power strip combines functionality and safety, allowing you to charge devices such as mobile phones, tablets, and cameras simultaneously. With two AC outlets and two USB ports, this power strip is ideal for keeping your devices always ready to use.

Made of high-quality plastic and PVC, the power strip features a 90° plug that facilitates connection in tight spaces. The outlet arrangement is also optimized at 90°, allowing for more efficient use of space on your desk or table.

In addition, its USB function provides fast charging up to 2,100 mA, ensuring your devices charge efficiently. The IP20 protection guarantees greater safety against accidental contact, making it a reliable choice for home or office use.
