Description

The Kukko-K-2030-10-ST is a two- and three-leg puller set designed for versatility and precision in parts removal. This 8-in-1 kit includes several pairs of legs of varying lengths, allowing it to adapt to different depths and applications. Its presentation in the KUKKO-L-Boxx-System case facilitates transport and storage, ensuring that all tools are organized and within easy reach.

The kit includes:

- 20-10-SP-T: 2-arm puller set with extra-thin pull hooks
- 30-10-T: Crossbar
- 614250: Mechanical spindle
- 1-94-E: Pull hook (unit)
- 1-194-E: Hooks (unit)
- 1-254-E: Hooks (unit)

Key technologies include:

- **GLIDE & FIX:** Optimized geometry that ensures easy and quick movement of the pull hooks on the crossbar.
- **ARMLOCK:** Transverse hooks that guarantee maximum stability during the suspension of the pulling hooks on the sliding piece.
- **SWITCH:** Optimal adaptation of the spindle to the shaft thanks to the double-sided spindle tip.

This puller set is ideal for professionals looking for high-quality, high-performance tools for their pulling work.

Specifications

EAN	4021176852022
Manufacturer	Kukko
Weight (kg)	9,0000
