Description

The Ruko-108313-1 EasyLock automatic bit holder is an innovative tool designed to facilitate the use of Weldon CM3 hollow drill bits. This holder is compatible with a variety of drills, including the RS 10, RS 20, RS 25e, RS 30e, and RS 40e models. Its ergonomic design allows for quick and easy bit changes without the need for additional tools, optimizing working time and improving efficiency on drilling projects. In addition, the holder features a cooling system that includes a tube and a spray bottle, ensuring optimal performance and extending the life of the drill bits by preventing overheating during use.

- **Model:** Ruko-108313-1
- **Compatibility:** RS 10, RS 20, RS 25e, RS 30e, RS 40e Drills
- **Drill Bit Type:** Weldon CM3 Hollow Bits
- **Drill Bit Change:** Tool-free, one-handed use
- **Cooling System:** Includes tube and spray bottle
- **Ease of Use:** Ergonomic design for greater comfort
- **Durability:** High-quality materials for long-lasting use
- **Applications:** Ideal for drilling in various materials
- **Dimensions:** Compact and lightweight for easy transport
- **Maintenance:** Requires low maintenance thanks to its robust design
