Description

The Hedgehog File-LPPUF6-6" Fine Point Flat Mechanic's File is an essential tool for machine shops, specifically designed for roughing, fitting, and grinding parts. Its rectangular cross-section allows for precise and efficient handling, while its optimized design, with a width and thickness that decrease slightly towards the tip, facilitates access to difficult areas and the execution of detailed work. The single cut on both edges ensures consistent and effective performance in various applications, making it a versatile choice for professionals in the field.

- **Length:** 6 inches
- **Type:** Fine Point Flat File
- **Use:** Roughing, fitting, and grinding parts
- **Cross-section:** Rectangular
- **Design:** Width and thickness that decrease towards the tip
- **Cutting:** Single on both edges
- **Material:** High-quality steel
- **Applications:** Machine shops and precision work
- **Ergonomics:** Design that facilitates handling
- **Durability:** Wear-resistant for prolonged use
