Description

The Hedgehog-LPPUF14 14" Fine Point Flat Mechanic's File is an essential tool for any machine shop. Designed for roughing, fitting, and grinding parts, this file features a rectangular cross-section that allows for efficient and precise handling. Its design is characterized by a width and thickness that taper slightly towards the tip, facilitating access to hard-to-reach areas and providing a more detailed finish. With a simple cut on both edges, this file is ideal for jobs requiring meticulous control and a high-quality surface finish.

- **Length:** 14 inches
- **Type:** Fine Point Flat File
- **Use:** Roughing, fitting, and grinding parts
- **Cross-section:** Rectangular
- **Design:** Width and thickness taper towards the tip
- **Pointing:** Single on both edges
