### Description

The Erizo-LPPAE6-6" Medium Fine Parallel Flat Mechanical File is an essential tool for precision work on metal and wood. Designed specifically for filing keyways and flat surfaces, this file features a rectangular cross-section that maintains a constant width along its entire length. Its thickness tapers slightly towards the tip, allowing for more detailed and controlled finishing in precision settings. With double cuts on both flat faces and a single cut edge, this file offers remarkable versatility for a variety of workshop applications.

- **Length:** 6 inches
- **Cross-section:** Rectangular
- **Constant Width:** Same width along its entire length
- **Thickness:** Tapers slightly towards the tip
- **Cuts:** Double on both flat faces
- **Edge:** Single cut on one canto
- **Use:** Ideal for filing keyways and flat surfaces
- **Applications:** Precision fits and detail work
- **Material:** High-quality steel
- **Finish:** Surface treated for durability
