Description

The Hedgehog-LTE12 12" Medium Triangular Mechanic's File is an essential tool for precision work on metal and wood. Its triangular cross-section design allows optimal access to corners and sharp angles, facilitating the finishing of threads, milling cutters, and flat surfaces. With equal sides that taper towards the tip, this file offers precise control and excellent filing capability in hard-to-reach areas. The double cut on all three sides ensures greater work efficiency, allowing for a uniform and professional finish every time.
