Description

The Hedgehog-LTE14 14" Medium Triangular Mechanic's File is an essential tool for precision work on metal and wood. Its triangular design allows easy access to corners and sharp angles, making it ideal for finishing threads, milling cutters, and flat surfaces. With equal sides that taper towards the tip, this file provides optimal control and greater filing efficiency. The double cut on all three sides ensures superior performance, allowing for a finer, more detailed finish with every application.
