Description

The Erizo-LTF8 fine triangular mechanical file is an essential tool for precision work on metal and wood. Designed specifically for filing corners and sharp angles, this file allows for detailed finishing in a variety of applications. Its triangular cross-section, with equal sides that taper towards the tip, facilitates access to difficult areas and ensures optimal control during use. The double-cutting on all three sides provides greater efficiency in roughing and finishing surfaces, allowing for easy refining of thread teeth, milling cutters, and flat surfaces.

- **Length:** 8 inches
- **Section:** Triangular
- **Cutting:** Double on all three sides
- **Use:** Ideal for corners and sharp angles
- **Material:** High-quality steel
- **Finish:** Fine, for precise details
- **Applications:** Thread teeth, milling cutters, and flat surfaces
- **Design:** Equal sides tapering towards the tip
- **Ergonomics:** Easy handling and control
- **Durability:** Resistant to wear

Specifications

High	0,00
Width	0,00
EAN	8422668130837
Manufacturer	Erizo
Weight (kg)	0,0000

Depth	0,00
