Description

The Erizo-LLLE6 6" Thin Flat Mechanic's File for Medium-Fine Keys is ideal for precision mechanical work, especially in the locksmithing and gunsmithing industries. Its design resembles that of a conventional flat file, but it stands out for its thinness and sharp point, allowing easier access to tight spaces and a more detailed finish. With double cuts on both faces and single cuts on the edges, this file offers exceptional versatility for roughing and finishing metal materials.
