Description

The Hedgehog-LTSD7-File is an essential tool for sharpening saws, specifically designed for thin 7-inch triangular saw blades. Its triangular cross-section, with edges converging at one end, allows for precise and efficient sharpening of handsaws, band saws, and other types of saws with teeth at a 60-degree angle. With a single cut and three cut edges, this file guarantees optimal performance and long durability, making it an ideal choice for professionals and DIY enthusiasts.

- **Tool Type:** Triangular Sharpening File
- **Dimensions:** 7 inches in length
- **Section:** Triangular with converging edges
- **Applications:** Sharpening handsaws, band saws, and saws with 60-degree teeth
- **Cutting:** Single cut
- **Edges:** Three cut edges for greater versatility
- **Material:** High-quality steel for strength and durability
- **Use:** Ideal for maintaining and sharpening cutting tools
- **Design:** Compact and lightweight, easy to handle
- **Compatibility:** Compatible with various saws from different brands
