Description

The Erizo-LPPAS10 Mill Blunt 10" Parallel Flat Saw File is a precision tool designed for sharpening chop saws, reciprocating saws, and circular saws. Its uniform rectangular cross-section along its entire length allows for more efficient and controlled sharpening, and it is thinner than conventional flat files. The flat faces have a single cut, while both edges are serrated, facilitating access to difficult areas and improving sharpening effectiveness.

- **Dimensions:** 10 inches in length
