Description

The Vogel-471013 is a set of steel gauges specifically designed for measuring Whitworth and metric threads. This product includes 48 gauge blocks that allow for precise measurements of both internal and external threads, facilitating work in mechanical and engineering applications. Made from high-quality steel, it guarantees durability and wear resistance, making it an essential tool for professionals and DIY enthusiasts alike. Its compact and lightweight design allows for easy handling and storage, ensuring it's always on hand when needed.

- **Material:** High-quality steel
- **Thread type:** Whitworth and Metric
- **Number of blades:** 48
- **Measurements:** Inside and outside
- **Use:** Ideal for mechanical and engineering applications
- **Durability:** Wear-resistant
- **Design:** Compact and lightweight
- **Ease of handling:** Easy to use and store
- **Accuracy:** Precise measurements for professional work
- **Applications:** Essential tool for professionals and hobbyists

Specifications

EAN	4010873210136
Manufacturer	Vogel
Material	Steel
Weight (kg)	0,0750
