**RUKO FLOWSTEP® HSSE-Co 5
11.5 mm twist drill bit, high
precision and durability.**

Brand: Ruko

Reference: TUR 259115E

The Ruko-259115E FLOWSTEP® HSSE-Co 5 twist drill bit (Ø 11.5 mm) offers extended tool life, drilling up to 5 times more holes. It allows for fast and efficient drilling, preventing slippage and jamming, making it ideal for portable power tools.

[View product online](#)**Description**

The Ruko-259115E FLOWSTEP® HSSE-Co 5 (Ø 11.5 mm) twist drill bit is designed to deliver exceptional drilling performance, distinguished by its significantly longer lifespan. This tool allows you to drill up to five times more holes compared to conventional drill bits, resulting in time savings of up to 50%. Its innovative design ensures extremely fast and efficient drilling, optimizing energy use during the process.

Perfect centering of the drill bit prevents slippage, even on round surfaces such as pipes and tubes, facilitating a smooth, jam-free drilling process.

This drill bit is ideal for use in portable power tool drills, including cordless ones, ensuring optimal performance in a variety of applications.

- Material: HSSE-Co 5 (High-Speed Steel with Cobalt)
- Diameter: 11.5 mm
- Extended lifespan: Up to 5 times more holes
- Time savings: Up to 50%
- Fast and efficient drilling
- Perfect centering, prevents slippage
- Compatible with round surfaces
- Smooth drilling process, no jamming
- Optimal performance in portable drills
- Innovative design for increased durability

Specifications

High	0,00
Width	0,00
EAN	4007140386502
Manufacturer	Ruko
Weight (kg)	0,0000
Depth	0,00
