Description

The Ruko-259042 twist drill bit is a high-precision tool designed to deliver exceptional drilling performance. Made from high-speed steel (HSS), this drill bit guarantees a significantly longer lifespan, allowing you to drill up to 5 times more holes compared to conventional drill bits. Its innovative FLOWSTEP® design optimizes the drilling process, achieving time savings of up to 50% and extremely fast drilling, resulting in greater work efficiency. Furthermore, its perfect centering capability prevents slippage, even on round surfaces such as pipes and tubes, ensuring precise and professional results.
