Description

The Ruko-259075 twist drill bit is a high-precision tool designed to deliver exceptional drilling performance. Made from high-speed steel (HSS), this 7.5 mm diameter drill bit stands out for its durability, allowing you to drill up to five times more holes compared to conventional drill bits. Its innovative design ensures fast and efficient drilling, resulting in time savings of up to 50%. Furthermore, its perfect centering capability prevents slippage, even on round surfaces such as pipes and tubes, ensuring a smooth and jam-free drilling process.

- **Material:** High-speed steel (HSS)
- **Diameter:** 7.5 mm
- **Lifespan:** Up to 5 times more holes possible
- **Time Savings:** Up to 50%
- **Fast Drilling:** Improved energy efficiency
- **Perfect Centering:** Prevents slippage on round surfaces
- **Drilling Process:** Easy and smooth, jam-free
- **Compatibility:** Optimal performance in portable (cordless) electric drills
- **Recommended Use:** Ideal for working with metal and other materials hard
- **Pack:** Includes 5 units
