

Product sheet

RUKO FLOWSTEP® HSS 6-20 mm step drill bit, high-speed steel, high precision.

Brand: Ruko

Reference: TUR 101651P

FLOWSTEP® HSS step drill bit, 6-20 mm, designed for extended life and increased efficiency. Enables fast, smooth drilling, optimizing time and energy consumption. Ideal for portable power tools.

Description

The Ruko-101651P FLOWSTEP® HSS step drill bit is a high-precision tool designed to deliver exceptional drilling performance. Made from high-speed steel (HSS), this step drill bit is known for its durability and efficiency, allowing you to drill up to six times more holes compared to conventional drill bits. Its innovative design facilitates a smooth, jam-free drilling process, resulting in significant time and energy savings during use. It is especially suitable for portable power tools, including cordless ones, making it a versatile choice for professionals and DIY enthusiasts.

- **Drilling Diameter:** 6-20 mm
- **Material:** High-Speed Steel (HSS)
- **Lifespan:** Up to 6 times more holes drilled
- **Time Saving:** Up to 75% faster tapping
- **Fast Drilling:** Improved energy efficiency
- **Drilling Process:** Smooth and jam-free
- **Compatibility:** Portable power tools (cordless)
- **Use:** Ideal for metal, plastic, and wood
- **Stepped Design:** Allows for multiple diameters on a single drill bit
- **Finish:** High precision and quality drilling

Specifications

High	0,00
Width	0,00
EAN	4007140386724
Manufacturer	Ruko
Material	Steel

Weight (kg)	0,0000
Depth	0,00
