Description

The Edelco Cera Plus ceramic flap disc (EDCERA11560T27) is a high-efficiency tool designed to deliver exceptional performance in sanding and grinding applications. Made with a high-quality ceramic abrasive and a wearable fiberglass backing, this disc provides powerful material removal with minimal effort. Its polyester fabric structure ensures high elasticity and self-sharpening, resulting in significant time savings and a long service life. Ideal for cold sanding of edges and surfaces, this disc also reduces thermal discoloration, ensuring optimal results on various materials.

- **Abrasive Material:** Ceramic
- **Shank Diameter:** 22.23 mm
- **Standards:** oSa, EN 13743
- **Quality:** EvoMaxx (high power and colossal performance in intensive use)
- **Applications:** High-alloy steel, titanium-nickel alloys, chromium and chromium-nickel steel, brass, bronze
- **Tool Type:** Suitable for angle grinders
- **Use:** Cold sanding of edges and surfaces
- **Advantages:** Significant time savings and long service life
- **Thermal Discoloration Reduction:** Yes

Specifications

EAN	4255705100647
Manufacturer	Edelco
Weight (kg)	0,1000
