Description

The Edelco Cera Plus ceramic flap disc (EDCERA11580T27) is a high-efficiency tool designed to deliver exceptional performance in sanding and material removal applications. Made with a high-quality ceramic abrasive and a wearable fiberglass backing, this disc provides powerful material removal with minimal effort. Its polyester fabric construction ensures high elasticity and self-sharpening, resulting in significant time savings and a long service life. This disc is ideal for cold sanding of edges and surfaces, as well as reducing thermal discoloration on treated materials.

- **Abrasive Material:** Ceramic
- **Shank Diameter:** 22.23 mm
- **Standards:** oSa, EN 13743
- **Quality:** EvoMaxx (high power and colossal performance in intensive use)
- **Applications:** High-alloy steel, titanium-nickel alloys, chromium and chromium-nickel steel, brass, bronze
- **Suitable for:** Angle grinders
- **Sanding Type:** Cold sanding
- **Thermal Discoloration Reduction:** Yes
- **Durability:** Exceptional lifespan
- **Elasticity:** High

Specifications

EAN	4255705100654
Manufacturer	Edelco
Weight (kg)	0,0900
