Description

The Erizo-LDBTB6-Lima triangular mechanical file is an essential tool for precision work on metal and wood. Designed with a triangular cross-section, this file features equal sides that taper towards the tip, allowing optimal access to corners and sharp angles. Its double cut on all three sides ensures superior filing performance, facilitating the finishing of threaded inserts, milling cutters, and flat surfaces. The two-component handle provides a soft, comfortable grip, improving maneuverability and reducing fatigue during extended use.

- **Shape:** Triangular
- **Chip Type:** Double
- **Length:** 6 inches
- **Handle:** Bi-material with soft grip
- **Use:** Ideal for filing corners and sharp angles
- **Applications:** Refining thread teeth and milling cutters
- **Surfaces:** Suitable for metal and wood
- **Design:** Sides taper towards the tip
- **Versatility:** Effective for precision work
- **Durability:** Made with high-quality materials
