Description

The Hedgehog-LDBTF8 8" Fine Triangular Mechanic's File is an essential tool for precision work on metal and wood. Its triangular design allows optimal access to corners and sharp angles, facilitating the finishing of threads, milling cutters, and flat surfaces. With equal sides that taper towards the tip, this file offers precise control and excellent filing capacity. The double cut on all three sides ensures greater efficiency in roughing and finishing materials, making it a versatile choice for professionals and DIY enthusiasts.

- **Shape:** Triangular
