Description

The **HPX-ME1945 Basic 4010 Painter's Tape** is a professional masking tape designed to deliver optimal performance for general-purpose indoor applications. Its crepe paper backing provides excellent adhesion and ease of handling, making it an indispensable tool for painters, decorators, and DIY enthusiasts. This tape is ideal for protecting surfaces during painting, ensuring clean, defined lines.

With a natural rubber adhesive, the HPX-ME1945 guarantees strong adhesion without leaving any residue upon removal. Its tensile strength of 85 N/25 mm and adhesion strength of 4 N/25 mm ensure that the tape stays in place during the application process.

Furthermore, it withstands temperatures up to 60°C, making it suitable for various working conditions.

- **Adhesive:** Natural rubber
- **Tensile strength:** 85 N/25 mm
- **Base:** Crepe paper
- **Adhesion strength:** 4 N/25 mm
- **Maximum temperature:** 60°C
- **Thickness:** 0.11 mm
- **Use:** Indoors
- **Applications:** Painting, decorating, DIY
- **Removal:** Residue-free
- **Quality:** Professional
