

## Product sheet

**KUKKO complete spindle with female thread adapter for 21-89, high precision.**

Brand: Kukko

Reference: TUR 21-89-6

Kukko-21-89-6 is a complete spindle with female thread adapter, designed as a replacement part for the 21-89 internal extractor. Ideal for maintaining the functionality and performance of the equipment in extraction jobs.

[View product online](#)**Description**

The Kukko-21-89-6 complete spindle with female thread adapter is an essential component for the 21-89 model internal extractor. Designed for optimal performance, this replacement spindle ensures the extractor's functionality and durability, allowing for efficient and precise extraction tasks. Its robust construction and high-quality materials guarantee a long service life, even under heavy use. This spindle includes a female thread adapter, making it easy to install and compatible with the model mentioned.

- **Model:** Kukko-21-89-6
- **Compatibility:** Internal Extractor 21-89
- **Part Type:** Complete Spindle
- **Adapter:** Female Thread Included
- **Material:** High Strength
- **Use:** Replacement for Extractor
- **Dimensions:** Specific to Model 21-89
- **Installation Ease:** Intuitive Design
- **Durability:** Robust Construction
- **Applications:** Ideal for extraction work
