Description

The M3 HSS Bi-Metal 50 Series (29 mm) MPS-5029 hole saw is a high-precision tool designed for cutting a wide variety of materials. Its high-speed steel (HSS) construction and bi-metal design ensure exceptional durability and superior performance in drilling applications. This hole saw is ideal for working with metal, wood, and plastics, delivering clean and efficient cuts.

The 50 Series is distinguished by its ability to adapt to different types of projects, from industrial work to DIY tasks.

Its 29 mm diameter allows for medium-sized drilling, making it a versatile option for professionals and DIY enthusiasts.

- **Diameter:** 29 mm
- **Material:** Bi-metal high-speed steel (HSS)
- **Applications:** Metal, wood, and plastics
- **Durability:** High wear resistance
- **Cuts:** Clean and precise
- **Compatibility:** Compatible with most electric drills
- **Use:** Ideal for industrial and DIY work
- **Design:** Optimized structure for better efficiency
- **Series:** 50
- **Type:** Hole saw

The MPS-5029 is an essential tool for those seeking quality and performance in their drilling

projects.
